Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicant submits the following response in connection with the above-identified patent application. The following remarks and declarations were originally filed on February 7, 2006 in response to a final Office Action mailed November 16, 2006. However, according to teleconference with the Examiner, the declarations were not formally considered because approval of the declarations would necessitate a new prior art search. Accordingly, Applicant resubmits the following remarks and declarations with a Request for Continued Examination.

Remarks begin on page 2 of this paper.
